Celebrating 60 Years

Creating Lasting Pathways Out of Homelessness

Gulfstream Goodwill Industries is a leading provider of housing and homeless services. In addition to operating four Housing Resource Centers in Lake Worth Beach, Riviera Beach, Belle Glade, and Pahokee, we own and manage affordable housing properties that create long term opportunities for stability for individuals and families transitioning out of homelessness. These include home at J Street, Gulfstream I, and Home at Tamarind, which provide safe, affordable housing and, where applicable, access to supportive services that promote independence and long term success.

Our work extends beyond shelter through senior homeless prevention and Just in Time services, which are designed to intervene before a housing crisis becomes homelessness. By providing timely assistance, housing stabilization support, and coordinated services for seniors and vulnerable individuals, Gulfstream Goodwill helps residents remain safely housed while addressing barriers that threaten long term stability.

About

As the Drive to Provide 2026 Committee, we bring together community leaders committed to shaping an event that creates meaningful impact. Through our combined experience, insight, and collaboration, we guide the vision and execution of Drive to Provide with the goal of strengthening our community.

By working together, we help drive lasting change for the individuals and families served through our programs. Our efforts support pathways to stability, independence, and long term progress, ensuring Drive to Provide is more than a single evening, it is a catalyst for community transformation.

A Letter From The Comittee

Now celebrating its fourth anniversary, the Gulfstream Drive to Provide annual cocktail gathering stands as a testament to what a small group, with a big vision, can achieve. Founded jointly by the Gulfstream Porsche Club and Gulfstream Goodwill, the event has grown into a powerful force for expanding affordable housing, providing funds to allow people to stay in their homes, and offering a true hand up to those experiencing homelessness.

Thanks to the generosity of supporters like you, we have already purchased Gulfstream I, a nine unit complex providing safe, stable homes. Tonight, we come together with the hope of taking the next bold step: raising the funds needed to acquire an even larger property and extend opportunity to more of our neighbors who need it most.

GULFSTREAM
Drive to Provide 2026

Event Impact

Over the past three years, Drive to Provide has raised over **$600,000** in contributions and forged $1.6 million in strategic partnerships directly enabling Gulfstream House on M Street in Lake Worth, a 9-unit haven providing safe, stable housing for families, veterans, and seniors. This builds on the 24 affordable units Gulfstream Goodwill already owns and manages across Palm Beach County, transforming lives one home at a time.

Tonight, join us in closing the funding gap for Gulfstream II House at Harbour Court, an expansive 18-unit sanctuary offering safe, affordable housing for women, children, and families escaping homelessness. Our goal: **$200,000.**

With your generosity, we can complete it this year, lifting families off the streets and into brighter futures faster. If every guest here donates at least **$500**, we'll hit it right now, during our Call to the Heart. Your gift tonight changes everything. Who's ready to make it happen?

Call to the HEART

We'll start at the top, raise your paddle light if you're ready to lead with impact:

$25,000: Full support for five families transitioning from homelessness to into stable housing.

$10,000: Funds 10 full unit setups, including furnishings and utilities for a family in need.

$5,000: Covers comprehensive services for one resident, from housing to education and employment placement.

$2,500: Sponsors a family's first month, including security deposits and essentials.

$1,000: Provides job training and skills workshops for multiple individuals.

$500: This is the level we all need to shine at, $500 from each guest will close the gap in funding we need to finish the Gulfstream II Home!

$100: Paddle drop contributes to essential supplies for new residents.
